The Touch Of Loving Hands

Lights falls the rain-drop on the
fallen leaf,
And light o'er harvest plain and gar-
nered sheaf --
But lightlier falls the touch of lov-
ing hands.

Light falls the dusk of mild midsum-
mer night,
And light the first star's faltering lance
of light
On glimmering lawns, -- but lightlier
loving hands.

And light the feathery flake of early
snows,
Or wisp of thistle-down that no wind
blows,
And light the dew, -- but lightlier
loving hands.

Light-falling dusk, or dew, or sum-
mer rain,
Or down of snow or thistle -- all are
vain, --
Far lightlier falls the touch of lov-
ing hands.

James Whitcomb Riley

Dedication:

A Thank You To Our Parents

Can you believe you are a senior and the end is here? Can you believe you are finally graduating and leaving the shelter of your parents to face the "cold cruel world"? They are probably saying, "It's about time, but it seems like only yesterday you were proudly running home from first grade to show them a star you received on your worksheet. Now after twelve long years (or more) of good times, bad times, and hard times, the stress previously shared by the two most influential persons in your life has fallen upon your shoulders.

Think back. Remember the unfinished assignment that was due the day you successfully planned a sickness. Remember the day you forgot your gym suit and your mother brought it to school only to find out there was an assembly that period. Remember the day the principal called your parents and the line was busy? Remember the week you spent all your allowance including the fifty cents you needed for the basketball game and Dad "came through in the clinch". Where would we have been without our helping hand?

Now the year is over. The end has come of cancelled assemblies, of announcements, and of homework assignments. You're finished with class dues, signed report cards, library fines, and college boards. You really would be weird to want to return here next year. Don't you think? But though the end is here you will be sure to miss the Parents' Day at the football game, the Band Street Fair, and the A-C Booster Club's All Sports Banquet. How often did you take time to thank your parents for the time and patience they have given to you? As you leave protection of your parents and the halls of A-C look to the future with hope and not to the past with regret.

Administration

Annville-Cleona High School saw two new faces in the administration during the 1970-71 school term. Mr. William Magill, who was the principal, helped to set up a new dress code in which girls are allowed to wear slacks and pants suits to school. Through the "A-C Exchange" feature in the "Dutchmen Crier" Mr. Magill answered many students' questions concerning school rules and policies.

Mr. Russel Trimmer, the new vice-principal, assisted Mr. Magill in his many duties as principal. Most often, he was seen roaming the halls, checking student passes. It seemed that it was always the innocent student who was stopped.

Student teaching is one of the main projects of the Future Teachers of America. In order to provide practical experience in education for students considering a career in teaching, members are assigned to teachers in the system for one period a week. After observing techniques the students take their hand at the teaching profession, and in addition to teaching, the club members took a trip to Susquehanna University where they toured the campus and observed college procedures.

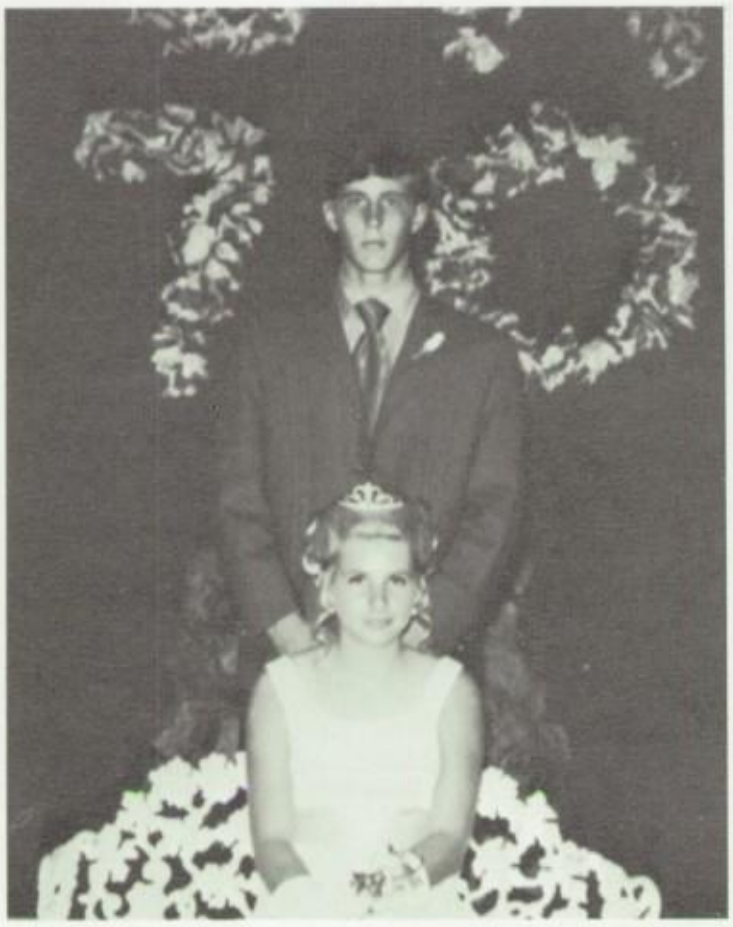
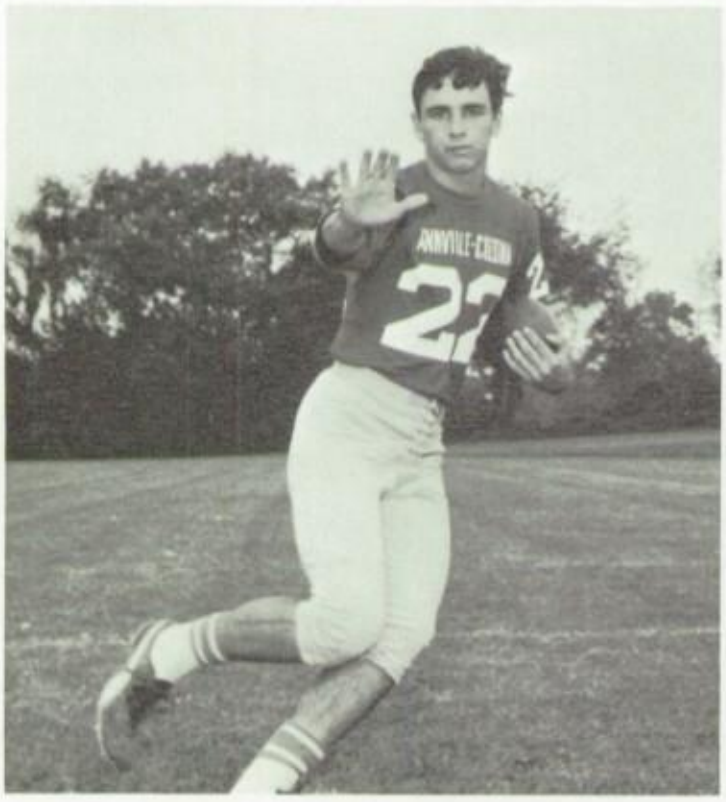
Yearbook Staff Prepares 1971 CORINOMA

Under the supervision of Mr. Kline the yearbook staff began the preparation of the 1971 publication prior to the school year. A summer meeting was called at which time the senior editors Sharon Long, Karen Schneider, Paula Schwalm, Cherie Tobias, and Donna Watts were appointed in addition to the other staff members. The staff decided to divide the 1971 "Corinoma" into four sections with respect to the seasons of the year. With this decision the staff began their long hours of work in preparing the 1971 edition of the "Corinoma."

DUTCHMEN



The Big Red Offense started swiftly and the Big Red Defense ended abruptly with center-linebacker Henry Wampler. Henry's outstanding play "in the middle" against the Susquehanna Indians earned Henry the Outstanding Lineman Award for Lebanon County. The man who pulled the strings for the "O" was Bill Herr, who ranked 2nd in C.A.C. completion average and 4th in C.A.C. passing yardage.



Individual A-C Honors

Dave Peters became the second A-C lineman to win the Lebanon County Lineman of the Week Award. Dave won the award for his superb performance against the Trojans from Hershey High School. Toughness was Dave's trademark. Dave's dedication to his team earned him the undesignated title of being the team leader both on and off the field. The Big Red looked for "Pete" to lead the Dutchmen when the going got tough.

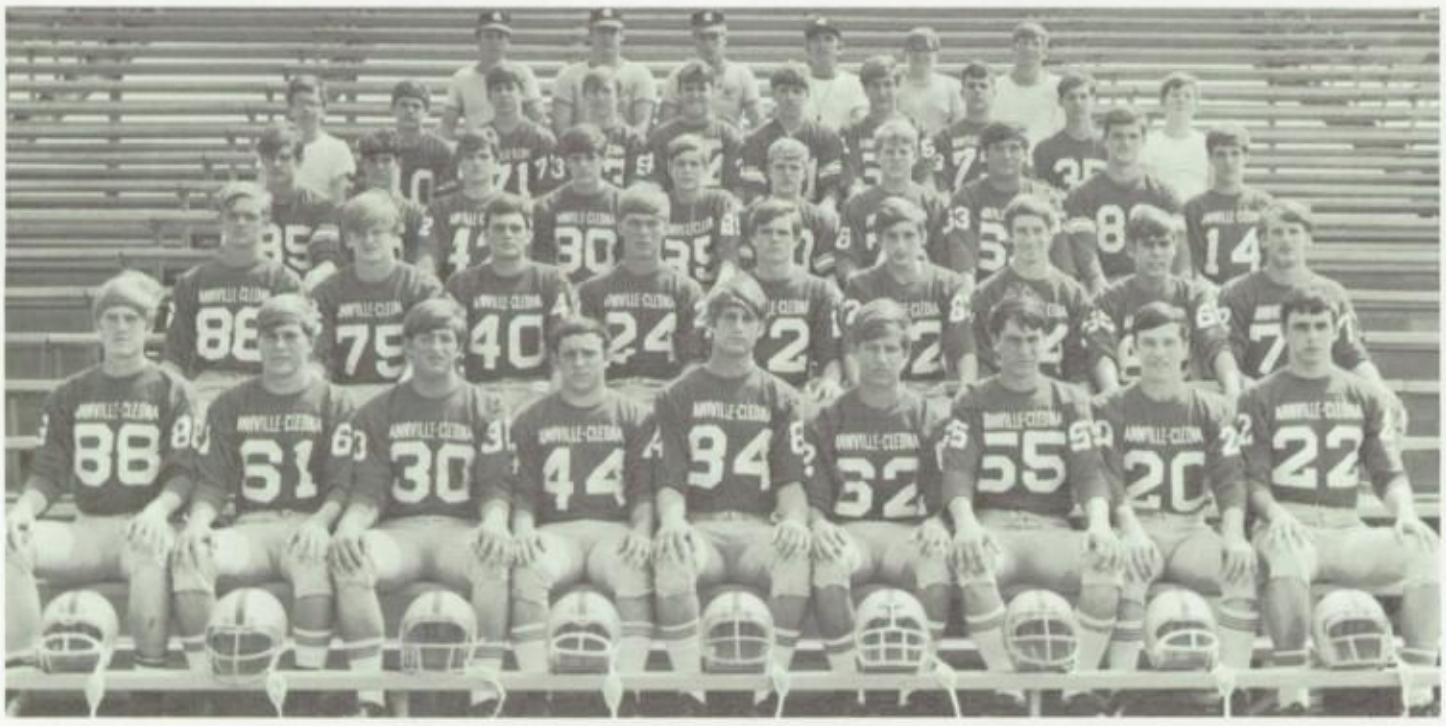
Dale Gingrich, the heart and soul of the Dutchmen, was the leading scorer on the C.A.C., 2nd in pass receptions in the C.A.C., 3rd in area scoring, 6th in pass receptions in the area, 2nd in C.A.C. rushing, honorable mention U.P. All-State, 3rd Team A.P. All-State, All-Metropolitan Harrisburg 1st Team, and a Big 33 selection.

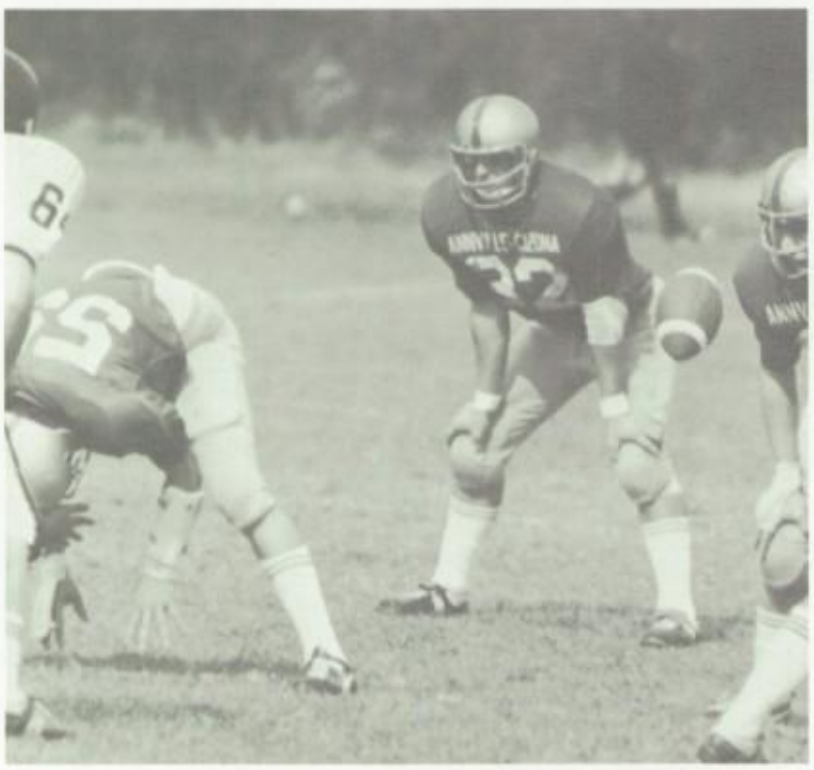
Neil Ebersole specialized in those parts of football that could often go unnoticed. His specialty was blocking for the other talented Dutchmen backs. In addition to his unglamorous task Neil put the A-C foot into the game. Neil led the C.A.C. in points scored kicking with 24 including the longest field goal in the C.A.C. -- 32 yards. Neil's talented toe provided the margin of victory in the 17-15 win over Cumberland Valley with 5 points scored and he gave the edge to the Dutchmen in their 13-12 conquest of the Mechanicsburg Wildcats.

The 1970 Football team compiled A-C's best record ever under the coaching staff of Mr. Johnson, Mr. Tulli, Mr. Snyder, Mr. Shifflet, and Mr. Svirsko.

The A-C accolades possessed the important qualities of understanding, teamwork, and discipline necessary for attaining the victorious success.

Pregame drills display the teaming enthusiasm of the Dutchmen squad.





1970 — Best Ever

Big they weren't but determined they were . . . "mobile, agile, and hostile." Time and again the Dutchmen got there first with the most and this same team effort was their success. The Dutchmen spirit started early and never waned. For the first time ever at Annville-Cleona victory was a possibility. The Dutchmen were contenders and a thrill every week.

Dale Gingrich (number 22), led by example and his inspirational play, had a way of making pride a virtue. He made good -- great and almost -- success.

"Hollywood" Bill Herr, quarterback for the Red and White, ranked tenth in passing yardage in the Harrisburg Area with an impressive 53 completions for 95 passing attempts for a 56% completion record. He was intercepted only 5 times while amassing 743 passing. Herr was also accorded All-Metropolitan Harrisburg Team Honorable Mention for his efforts.

The A-C Dutchmen are quite proud of their 1970 grid record. This year's edition of the A-C gridders notched the "best ever" record in the Dutchmen annals.

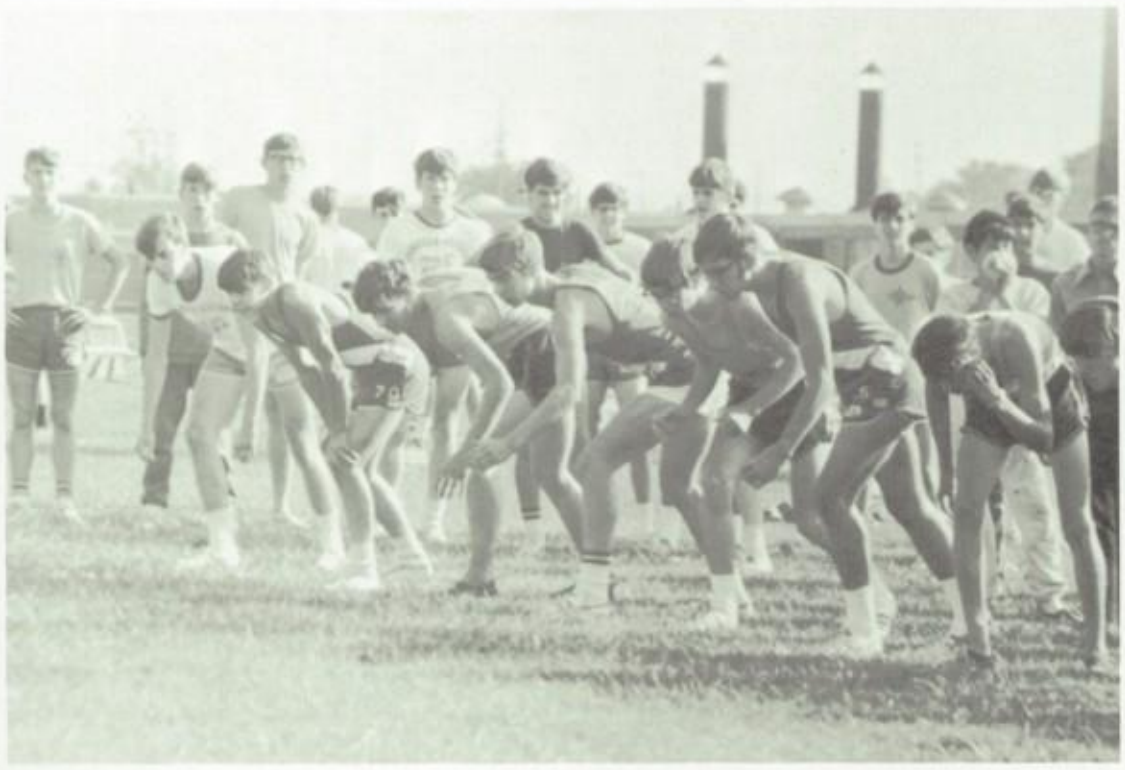
Dutchmen line up to start meet with Palmyra.



The 1970 Cross Country team was the finest ever in A.C. history. Mr. Gerber's Boys won 14 straight dual meets, the CAC meet and the District III Championship. This was the first District III title won by a Lebanon County or CAC school. After the District meet, A.C.'s runners captured 4th place at the state meet, where 67 county areas competed. This year's team had several outstanding individuals. Jim Hostetter, Marty Brandt, and Dennis Leonard won District medals. Jim Hostetter finished 3rd at District and holds A.C.'s course record. Marty Brandt was 9th at State and 7th at District. Dennis Leonard was a consistent 1st or second in the dual meets and 2nd in the CAC meet. They were backed by a strong team including Bob Dailey and Ted Schaffer who were in the top five in dual meets; Dennis Hines and Dennis Eshleman, two fine juniors, and Jeff Paine, a promising sophomore. Congratulations Mr. Gerber and team!

"Dutchmen Sweep All Runners In The District; Place 4th At State."

This year may have been disappointing when the records were checked, but as far as ability was concerned, both teams possessed a great deal of agility and speed. Although, at times, it was hard to hit the goal cage, all totaled, there were 16 goals in tally. Sportsmanship is always a big factor in winning any game. So is support from the faculty and the student body. See you there next season.

A.C. experienced a somewhat dismal season considering the fine potential on the team. Their 2-1-5 record does not show the fine athletic ability of the squad. There were many seniors on the team this year who contributed greatly to the team effort. Julie Hopple and Brenda Coleman were very adapt ball handlers and had many assists which contributed to A.C.'s scoring. Deedee Hofsmith was one of the team's fastest. Kathy Shenk has been the most valuable defensive player for three years. There were also two very promising junior players on the squad. Becky Grant and Cathy Marshall, who were the team's leading scorers. Cathy scored five goals. Becky and Cathy, along with Jo Meyer who is a sophomore, will be back to lead the team next year.

Deedee was the team's fastest wing.

Kathy completed her third year as the team's starting right halfback.

This year was not a particularly successful one as far as records were concerned. The team, under coach Glenn Wocester, wound up with two wins, seven losses, and two ties, but this is not demonstrative of their abilities. There were many seniors on the squad deserving of recognition: Chuck Greenawalt gave a very fine performance at fullback to complete three years of soccer; Dave Snavely, also a fullback, was the team's most agressive player; Dennis Strupher and Jeff Miller were outstanding first year players. The remaining seniors, Dale Reigle, Dave Sollenberger, Mike 'Pele' Kreider, Terry Smith, Steve Vanovitch, Jeff Shade, Mike Uhrich, and Carl Gacono contributed greatly to the team effort. With the leadership of several outstanding underclassmen, such as Gary Watts, Tom Texter, Paul Kreider, and Rob Marquette, the team looks for an improved season next year.

Dutchgirls Spotlight Basketball

The girls ended in a 3-7 record for Varsity and a 0-10 record for J.V. this year. Although there was an overall lack of height and shooting ability for the Varsity, they obtained the highest foulshot percentages this year of any previous years which was 41% for the season. Four of the games were extremely closer than the scores reveal. Often, the gals lost in the remaining few seconds of the game by a point. Seniors this year were Brenda Coleman (captain), Julie Hopple, Paula Schwalm, Karen Schneider, Judy Waybright, and Pam O'Neal. Brenda held the highest shooting and field goal records. Overall, the J.V. team was long on potential and desire, but lack of experience forfeited the season. Good luck to both teams next season!

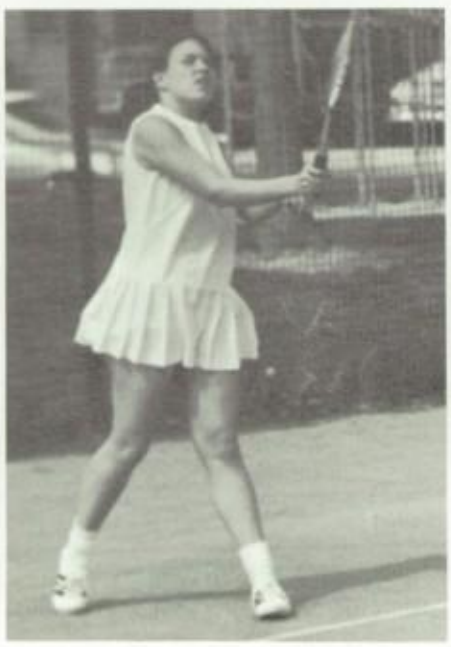
Kathy Shenk was the outstanding player on the team this year.

This year the tennis team played quite a few more teams than last season. They ended with a record of 3 wins and 11 losses. Several outstanding players displayed their abilities throughout the season. Double matches were played by the first team of Kathy Shenk and Cathy Harner, and the second team of Shirley Weidler and Jo Meyer. Cathy Harner was the second most valuable member of the team this year. Other players who stood out were in order of importance: Sherry Borges (senior), Shirley Weidler, and Jo Meyer. Cathy, Sherry, Shirley, and Jo are shown at the bottom of the page. They illustrate the various positions while hitting a tennis ball. Cathy starts the serve and Jo finishes. Because of the location of the tennis courts, there were never many spectators at the matches. It always helps to have a little support along the way. Both Cathy Harner and Shirley Weidler (Juniors), and Jo Meyer look very promising for next year's team. They are also hoping for new players to help support the team next year. Good Luck!



Dave Graby (left), Jim Hostetter (above), and Bob Micozzi (below), all exhibit the face of an exhausted athlete. But they realize, after it's all over, that is has all been worth the effort. This can easily be seen by observing the outstanding record of the track team throughout the past few years.

Effort Creates A Great Team

There were many outstanding individuals this year. But special recognition should be placed on six of these athletes for their personal achievements in the various track and field events. All of these boys received a gold medal at the Lebanon County Meet. Jim Bowers threw shotput and Ed Turasky threw javelin. Tim San Martin delivered two gold medals in the long jump and the triple jump. Dennis Leonard hooked a gold medal in pole vault, and Dave Peters and Charlie Greenawalt captured the high and low hurdles respectively. These boys did a tremendous job this year in keeping our track team at the top.

Start . . . To Finish

No matter what running event is being spotlighted at the time, there is always competition and excitement, whether it be the beginning of the race or the finish. Jim Hostetter (top left) lines up at the starting line and Dave Peters (top right) gets off to a perfect start. Some of the running events are relays, but there are also individual events. It seems as if Jeff Paine (bottom left) is leading a group of runners right to the finish and finally, after an exhausting run, Terry Hitz comes in to the line in first place. Nice work boys!

Throughout their years in high school athletics, many athletes develop a certain style in their particular sport which they often can call their own. Here are three individual styles used by Dave Sollenberger (top), Sam Martin (middle), and Jeff Miller (bottom). Both Dave and Jeff are on high jump, and yet they use entirely different approaches and jumps. Sam, on the other hand, is a pole vaulter, and this style is very typical of many pole vaulters today.

Gold Medalists and Individual Achievements:

Five of A.C.'s team took gold medals at the CAC Meet. They were Ed Turasky in the javelin, and the 880 relay team of Jeff Miller, Dale Reigle, Tim San Martin, and Robert Micozzi. Congratulations to these fine individuals. Also an outstanding year was run by Marty Brandt. He established new records on the A.C. track for both the 880 relay (2:05) and the mile run (4:42.3). Congratulations are in order for the whole team and all the brilliant effort shown this year.

Varsity Team Finishes Second

Varsity Baseball Squad: FIRST ROW: R. Marquette, E. Krum, T. Hitz, J. Wise, B. Dailey, SECOND ROW: R. Loeb, D. Gingrich, P. Kreider, T. Imboden, D. Struphar THIRD ROW: Gus O'Neal, L. Stegall, N. Ebersole, G. Watts, D. Snavely. TOP ROW: Coach Worcester, M. Kreider, Coach Lingle.

Although the baseball team did not win the league championship, they did have another great season finishing second, only one-half game behind the champion Lower Dauphin, who finished with a record of 11-3 to A.C.'s 10-3-1. A.C. was the only team to defeat Lower Dauphin two times, both extra inning games. Eight outstanding seniors will graduate from the team this year. They will be greatly missed on the ball field and in the halls of A.C. High.

The baseball team looks forward to another fine season in '72 with Paul Kreider, Rob Marquette, Todd Hollinger, Gus O'Neal, Gary Watts, Tom Imboden, and Ed Krum forming the nucleus of the team along with several fine prospects from the J.V. Team, which also had a fine season. Good luck next year fellas!
